## ARTICLE IV COVENANT FOR ASSESSMENTS

4.1 Creation of the Lien and Personal Obligations of Assessments. The Association, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a Deed therefore, whether or not it shall be so expressed in such Deed, is deemed to covenant and agree to pay to the Association:

4.1.1 Annual Assessment for general operations of the Association, and

4.1.2 Special Assessments for capital improvements and repairs, such assessments to be established and collected as hereinafter provided. The Annual and Special Assessments together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation for delinquent assessments and shall pass to the successors in title. In addition to the foregoing, each Owner shall also have the obligation to pay real property taxes imposed by the Colorado Governmental Taxing Authorities. An Owner's obligation for payment of taxes and insurance may be contractually delegated through the Owner's respective mortgagedocument.

4.2 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents of the Properties and for the improvement and maintenance of the common areas including but not by way of limitation:

4.2.1 repairing, replacing and maintaining the common area;

4.2.2 installing, maintaining and repairing all roads and utilities upon, across, over and under any part of the Properties;

4.2.3 furnishing garbage and trash pickup and water and electrical services to the Properties;

4.2.4 establishing and maintaining adequate reserves for repairs, maintenance, taxes, capital improvements and other purposes;

4.2.5 carrying out all other powers, rights, and duties of the Association;

4.2.6 generally for any other purposes and uses that the Association shall determine to be necessary to meet the primary purposes of the Association;

4.2.7 obtaining liability and property damage insurance in a sufficient amount to ensure that the P.O.A. is fully covered for all potential claims.

4.3 Annual Assessment. Beginning January 1, of the year following purchase of a Lot, the Owner shall be assessed annual Association fees, as approved by a vote of the Membership, or as adjusted by the Board under the conditions set forth below. This does not include a possible annual CPI adjustment.

4.3.1 The amount of any increase in the Annual Assessment shall be set by the Board of Directors, but such increase, without Membership approval as set forth below, is limited to the increase in the Consumer Price Index, as defined below, for the period ending the month prior to the date of the meeting at which the Annual Assessment is set (hereinafter, the "Adjustment Date"). Only upon an affirmative vote of fifty one percent (51%) of the Members who are voting in person or by absentee ballot may the Annual Assessment be increased more than the increase in the Consumer Price Index over the previous year.

4.3.2 The base for computing any automatic increase is the Consumer Price Index as published by the U.S. Bureau of Labor Statistics. In no case shall an Annual Assessment

be less than the Previous Assessment. If the Index is discontinued or revised during the term of the Amended and Restated Declaration (or any extension thereof), such other governmental index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the Index has not been discontinued or revised. In the event that the figures necessary for the calculation of the increase in Annual Assessments are not available on the Adjustment Date, the Annual Assessment shall be billed, unchanged from the previous year, and when such figures are available, the Annual Assessment shall be recalculated according to the provisions and any adjustment shall be billed in the next regular billing cycle.

4.4 Special Assessment for Repairs. In addition to the Annual Assessments authorized above, the Association may levy, for the purpose of defraying, in whole or in part, the cost of any reconstruction, repair or replacement of a capital improvement upon the Common Areas, including fixtures and personal property related thereto, provided that any such assessment must have the assent of at least fifty one percent (51%) of the Members who are voting in person or by absentee ballot at a meeting duly called for this purpose.

4.5 Special Assessment for Capital Improvements. In addition to Annual Assessments and Repair Assessments authorized above, the Association may collect and administer fees for improvements such as telephone distribution systems. The fees, costs and capital assessments, together with the terms and conditions are to be fully set forth in the Owners (purchasers) contract to purchase. The P.O.A. Board shall collect, administer and contract for these services and shall be authorized to act as the following but not limited to:

4.5.1 Establish fees for hookups to transmission systems (if any) and set rates if applicable for services provided,

4.5.2 Withhold services for non-payment of fees,

4.5.3 Pledge promissory notes of Owners securing payment of capital improvements for bank loans or to utility companies to bond or insure payment on utility or capital improvements, and

4.5.4 Use Annual Maintenance Fees to pay for Capital Improvements whenever in the sole discretion of the Board, it is necessary.

4.6 Notice and Quorum for Any Vote of the Members. Written notice of any meeting called for the purpose of taking any action authorized by the Declaration shall be sent to all Members not less than 30 days nor more than 60 days in advance of the meeting. At any such meeting called, the presence of Members or of absentee ballots representing 10% of all the votes of Membership shall constitute a quorum.

4.7 Uniform Rate of Assessment. Both Annual and Special Assessments must be fixed at a uniform and equitable rate for each Lot. Different rates may apply when an Owner constructs more than one single family detached home on one Lot.

4.8 Date of Commencement of Annual Assessments: Due Dates. The Annual Assessments provided for herein shall commence on each Lot and become due in January of the year following the recording of the deed to the Owner. The Board of Directors shall fix the amount of the Annual Assessment against each Lot at least thirty (30) days in advance of each Annual Assessment period. Written notice of the Annual Assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors and will allow a reasonable amount of time for Members to pay fees before becoming delinquent. As an option, quarterly payments can be arranged.

4.9 Effect of Nonpayment of Assessments: Remedies of the Association. Any Assessment, whether an Annual Assessment under Section 4.3, a Special Assessment for Repairs under

Section 4.4, or a Special Assessment for Capital Improvements under Section 4.5, not paid within thirty (30) days after the due date shall be deemed delinquent and shall bear interest from the due date at a rate of eight percent (8%) per annum, unless that rate is adjusted by the Board. If an Assessment becomes delinquent, the Association, acting through the Board, in its sole discretion, may take any or all the following actions:

4.9.1 assess a late charge for each delinquency in such amount, as the Board deems appropriate.

4.9.2 suspend the voting rights, provision of or access to POA services, and the right of use of the Common Area (except access roads) by the Owner during any period of delinquency.

4.9.3 take steps to assign the debt to the County tax rolls.

4.9.4 Assessments chargeable to any Lot, as set forth in Section 4.1, shall constitute a continuing lien on such Lot, including all improvements thereon. To evidence a lien created under this Article IV, the Board may, but shall not be obligated to, prepare a written Notice of Lien (hereinafter, "Notice") setting forth (a) the address of the Association, (b) the amount of such unpaid indebtedness, (c) the amount of accrued interest on the indebtedness, (d) the name of the Owner of the Lot, and (e) a description of the Lot. The Notice shall be signed by the President or the Vice President of the Association and the Association shall serve the Notice on the Owner by mail as set forth in Section 3.4. Not less than ten (10) calendar days after the date on which such Notice is mailed to the Owner.

4.9.5 Record a statement of lien against the Owner's Lot in the Las Animas County real property records for the delinquent amount, late payment fees, interest, and costs of collection. The Association's failure to record any such statement of lien or any error or omission in the content of such statement of lien shall not defeat such lien of the Association nor affect its priority. If the assessment remains delinquent, the Association may (a) file a lawsuit against the Owner, or (b) institute a foreclosure action against the Owner's Lot to collect all amounts due to the Association or proceed with both of these actions. The cost of any lawsuit and/or foreclosure action shall include the costs of collection, including attorney fees and litigation and sheriff's sale costs.

4.10 Lien is a Personal Obligation to Owner. The amount of any assessment chargeable against any Lot shall be a personal and individual debt of the Owner of the same. No Owner may exempt himself from liability for the Assessment by abandonment of his Lot or by waiver of the use and enjoyment of all or any part of the Common Area. Suit to recover a money judgment for unpaid Assessments, any penalties and interest thereon, the costs and expenses of such proceedings, and all reasonable attorney's fees in connection therewith shall be maintainable without foreclosing or waiving the Assessment lien provided in this Declaration.

4.11 Successor's Liability for Assessment. In addition to the personal obligation of each Owner to pay all Assessments and the Association's continuing lien for such Assessment, all successors to the fee simple title of a Lot, except as provided in Section 4.12, below shall be jointly and severally liable with the prior Owner thereof for any and all unpaid Assessments, late charges, costs, expenses and attorney's fees against such Lot without prejudice to any such successor's right to recover from any prior Owner any amounts paid by such successor. The liability of a successor shall not be personal and shall terminate upon termination of such successor's fee simple interest in the Lot. In addition, such successor shall be entitled to rely on the Certificate of Status of Assessments by or on behalf of the Association under Section 4.13.

4.12 Subordination of Lien. The lien for Assessments provided for in this Declaration shall

be subordinate to the lien of real estate taxes and special governmental assessments. The lien for Assessments shall be superior to and prior to the lien for all sums unpaid on a First Mortgage of record against such Lot, including all unpaid obligatory advances as may be provided by such encumbrance, and any homestead exemption provided now or in the future by the laws of the State of Colorado. No sale or transfer shall release a Lot from the lien of Assessments, except in the case of a sale or transfer of a Lot pursuant to a decree of foreclosure, by a public trustee in foreclosure, or by any proceeding or deed in lieu of foreclosure for the purpose of enforcing a First Mortgage, which shall extinguish the lien of such Assessments as to installments which became due prior to such sale or transfer.
